

INDULGE  
IN LUXURY

# Surf and Shop

Whether you need trendy stocking stuffers, to send last-minute gifts, or to warm up to that special someone (or the boss!), the Internet is a wonderful way to avoid the frustrating time-consuming lineups and wear and tear on your feet and still purchase perfect presents.

The Eco-Care 2 is a cordless telephone crafted from a single piece of aluminum. Its gentle curve matches the shape of the human face and sits naturally in the hand. \$107. [www.hugoboss.com](http://www.hugoboss.com)

Aceto di Leibarina Leopardi Barone vinegar is hand-bottled in Modena, Italy. Leopardi Barone vinegar has a high concentration of cooked grape must and spends many years in small wooden casks. \$120. [www.lemosclipsygifts.com](http://www.lemosclipsygifts.com)

Introduced this fall as the best iPod ever, the iPod Touch combines music, videos, photos and web browsing in 8GB and 16GB models. The revolutionary technology that made iPhone a must-have in the U.S. is now on the iPod. Starting at \$229. [www.apple.com/ipod](http://www.apple.com/ipod)

Terri Michael is a jewelry designer based in Toronto and has been creating Stoned Originals since the 1970s. Stoned Originals is exquisite, hand-crafted jewelry of the highest quality. Most importantly, a portion of proceeds from all of Terri's sales go toward shelters for battered women and children in four Canadian cities, including Vancouver. \$410.
