

Balls and chains

The Stoned Originals travel line by Terri Michael offers a sterling silver chain and two leverback posts for \$50, and three-part pendant clusters are sold for \$30-\$90. Wear the pendants together on the necklace or hang the two smaller stones from the leverback posts. Black onyx and teardrop pearls (\$35); carnelian faceted ball and donuts (\$35). All available at www.stonedoriginals.com.

Why we love it - Buy several sets of pendants (or request a custom set), and you have endless mix-and-match options to wear on holidays! Even better, the jewelry is lightweight, discreet, and a safer alternative than extravagant pieces, which are easy targets for theft.
