## RINGS & PRETTY THINGS

### *Dress to impress - and don't forget to accessorize*

BY SHELLEY WAUGH

Toronto jewellery designer **Terri Michael** offers bridal consulting and will help to create a one of a kind piece to match a dress or create matching accessories for the wedding party.

This sterling silver cluster necklace, left, can be wrapped around or worn long. It features 10mm and 12mm creamy white pearls, milky opalites, brushed silver nuggets and clear Swarovski crystals, held together by a toggle clasp. The silver chain is handmade for in Bali, Indonesia. This piece can be worn in a single strand or doubled around the neck as seen in photo. Length: 31" \$430.00 CDN.

The bracelet, left, has a timeless, elegant look and is made from sterling silver with pave cz diamonds studded all over it. There are two figure 8 locks on the clasp, and it closes with a seamless finish. It measures 1-1/4" wide. Length: 7". Website price: \$615.00. Visit
